**INT. CONFERENCE ROOM - DAY**

A wood-paneled office with a retro aesthetic. An old Macintosh computer sits on a sideboard in the background.

A SLICK-HAIRED MAN slumps into his seat at the head of the table, exhaling heavily.

SLICK-HAIRED MAN

WOMAN IN BLUE  
(Smiling)  
I don't like his silly hair, but his headlines are brilliant.

ASSISTANT  
(Smiling)  
Couldn't agree more, they're fantastic.

A WOMAN IN GREY surveys her colleagues.

WOMAN IN GREY  
Oh, come on, he probably just generated all those copies with AI.

INTERN  
Yeah, I've been thinking the same. All copywriters are doing it.

The CHAIRMAN leans back in his leather chair, weighing his words.

CHAIRMAN  
I don't care if he pulled them straight out of his arse ...

He leans forward.

CHAIRMAN (CONT'D)  
... these lines hit harder than a Wimbledon champion's forehand.

CUT TO BLACK.
