# POSTAL TELEGRAPH-CABLE COMPANY IN CONNECTION WITH THE COMMERCIAL CABLE COMPANY

**THE GREATEST TELEGRAPH AND CABLE SYSTEM IN THE WORLD. EXTENDS OVER TWO-THIRDS OF THE WAY AROUND THE EARTH.**

The Postal Telegraph-Cable Company will accept for transmission to certain specified countries Deferred Service Messages at rates per word which shall be **FIFTY PER CENT. LESS THAN THE RATES PER WORD CHARGED FOR ORDINARY MESSAGES**, subject to the following:

### TERMS AND CONDITIONS

Only one language shall be used, it may be French or that of the country of origin or the country of destination. The sender must declare which of these languages is used.

The sender must write before the address, and pay the charge on one word, for the letters LCF, LCO or LCD according to his declaration. This is a European Government stipulation.

The message must have an address and a text. A signature is optional with the sender, but the Company will not be able to make unpaid enquiries about the senders of unsigned messages.

The address may be a cable address. House and street numbers may be expressed in figures.

The text must be written entirely in plain language without figures, commercial marks, groups of letters, abbreviations or mutilations. Numbers, except in the address, must be written in words. Genuine words spelled according to established usage, with not more than fifteen letters, will be charged as single words. Messages written in the manner prescribed will be counted and charged according to the International Regulations.

The messages will not be subject to artificial delay in transmission or delivery. Their transmission will only be delayed until ranking messages have been despatched, and not more than 24 hours.

This Company may decline to forward any message, though it has been accepted for transmission, but in case of so doing, shall refund to the sender the amount paid for its transmission.

**THIS COMPANY WILL NOT ASSUME ANY RESPONSIBILITY IN RESPECT TO ANY MESSAGE BEYOND THE TERMINUS OF ITS OWN LINES.**

To guard against mistakes or delays, the sender of a message should **WRITE IT LEGIBLY** and order it **REPEATED**; that is, telegraphed back to the sending station for comparison. For such repeating, an additional charge of one-quarter the regular rate will be made.

It is agreed between the sender of the message on the face hereof, and this Company, that said Company shall not be liable for mistakes or delays in transmission or delivery, or for non-delivery, or mis-delivery, of any un-repeated message beyond the amount of that portion of the charge which may or shall accrue to this Company out of the amount received from the sender for this, and the other companies, by whose lines such message may pass to reach its destination; and that this Company shall not be liable for mistakes in the transmission or delivery, or for non-delivery, or mis-delivery, of any repeated message beyond fifty times the extra sum received by this Company from the sender for repeating such message over its own lines.

This Company is hereby made the agent of the sender without liability to forward any message by the lines of any other company to reach its destination.

No responsibility regarding messages attaches to this Company until the same are presented and accepted at one of its transmitting offices: and if any message is sent to such office by one of this Company's messengers, he acts as the agent of the sender for the purpose of delivering the message and any notice or instructions regarding it to the Company's agent in its said office; if by telephone, the person receiving the message acts therein as the agent of the sender, and is authorized to assent to these conditions on behalf of the sender.

This Company shall not be liable in any case where the claim is not presented in writing within sixty days after the filing of the message. This Company shall not be liable in any case for delays arising from interruptions to the working of its lines.

In any event this Company shall not be held liable for any loss or damage, or for delay, detention, or errors caused by storms or the action of the elements, or other acts of God, or by civil or military authority, or by insurrections, riots, rebellions, or dangers incident to the time of war, or by the unlawful acts of individuals.

This is an **UNREPEATED** Deferred Service Message and is transmitted and delivered by request of the sender under the conditions named above. The above terms and conditions shall be binding upon the receiver as well as the sender of this message.

No employee of this Company is authorized to vary the foregoing.
