Numéro 26. Votre cable No 13. Après de nombreuses conférences aux Départements des Finances et d'Etat pour prévenir freezing j'ai remis à ce dernier une note avec mémoire contenant des explications détaillées, conformément à l'annexe à ma lettre du 26 novembre stop Département Etat s'oppose au freezing de la Suisse tandis que Morgenthau veut insister en prétextant que des fonds non désirables arrivent en Amérique par la voie des banques suisses et sont utilisés surtout pour la "5ème Colonne" stop Comme il y a danger que Morgenthau pousse le Président directement pour décréter un Executive Order j'ai l'intention de voir le Président Roosevelt avec le consentement du Département d'Etat stop Prière d'y accéder.

CONDITIONS OF ACCEPTANCE OF RADIOGRAMS

Radiograms of all classes may be filed at any R.C.A. Communications office. Overseas and shore-to-ship radiograms via RCA will also be accepted at any office of the Western Union Telegraph Company in the United States. Domestic radiograms to points served by R.C.A. Communications, Inc. will be accepted at any Western Union office in those cities which are included in the R.C.A.C. domestic network.

ALL MESSAGES ACCEPTED BY THIS COMPANY ARE SUBJECT TO THE FOLLOWING TERMS:

To guard against mistakes, the sender of every radiogram should order it repeated; that is, telegraphed back to the originating office for comparison. The additional charge for this service is: for CDE and CDE URGENT messages, one-half the CDE rate; for other classes of messages one-half the full rate.

Unless otherwise indicated on its face, this is an unreported radiogram and paid for as such, in consideration whereof it is agreed between the sender of the message and this company as follows:

1. This Company shall not be liable in any case for mistakes or delays in the transmission or delivery, or for non-delivery of any message, beyond its own terminals. In forwarding this message to the stations or over the circuits or lines of any other communications agency this Company is hereby made the agent of the sender without liability for mistakes, neglects or delays of such other communications agency, its agents or servants.

2. The Company shall not be liable for mistakes or delays in the transmission or delivery, or for non-delivery, of any message received for transmission at the unreported message rate, whether caused by the negligence of its servants or otherwise, beyond the sum of five hundred dollars; nor for mistakes or delays in the transmission or delivery, or for non-delivery, of any message received for transmission at the specially valued message rate, whether caused by the negligence of its servants or otherwise, beyond the sum of five thousand dollars; nor for mistakes or delays in the transmission or delivery, or for non-delivery, of any message received for transmission at the amount of the repeated message rate plus an additional charge equal to one-tenth of one percent of the amount by which such written valuation shall exceed five thousand dollars.

3. The Company shall not be liable in any case for delays arising from unavoidable interruptions in the working of its circuits; nor for delays or errors or non-deliveries caused by storms or the action of the elements, or other acts of God, or by strikes, or by civil or military authority, or by wars, insurrections, riots, rebellions, or the unlawful acts of individuals; nor for errors in cipher or obscure messages.

4. No responsibility attaches to this Company concerning messages until the same are accepted at one of its transmitting offices. If a message is sent to such office by messenger, whether supplied by the Company or not, the messenger acts for that purpose as the agent of the sender; if by telephone or by telegraph the person receiving the message acts therein as agent of the sender, and is authorized to assent to these conditions on behalf of the sender.

5. The Company will not be liable for damages or statutory penalties in any case where the claim is not presented in writing within sixty days after the message is filed with the Company for transmission; provided, however, that this condition shall not apply to claims for damages or overcharges within the purview of Section 415 of the Communications Act of 1934.

6. It is agreed that in any action by the Company to recover the tolls for any message or messages the prompt and correct transmission and delivery thereof shall be presumed, subject to rebuttal by competent evidence.

7. The special terms governing the transmission of the messages classified below shall apply to such messages in addition to the foregoing terms.

8. No employee of the Company is authorized to vary the foregoing terms.
