

LEGATION OF THE  
UNITED STATES OF AMERICA

No. 1086

*B24, Nov 3*  
*note*

The Legation of the United States of America presents its compliments to the Federal Political Department and has the honor to inform the latter that it has received instructions from the Secretary of State to inquire from the Swiss Government whether it will be willing to take over the representation of American interests in Japan. If such is the case, the American Government would be greatly appreciative if the Swiss Government were to find it practicable to send instructions immediately in that sense to the Swiss Minister at Tokyo.

The Legation avails itself of this occasion to renew to the Federal Political Department the assurance of its highest consideration.

Bern, December 8, 1941.

To the  
Federal Political Department,  
Bern.
