Washington, D.C. 20008

Dear Mr. Brunner:

I am writing to obtain cultural information about Switzerland to distribute for educational purposes in the State of Delaware.

A teacher from the Harlan Elementary School in Wilmington, Delaware is preparing to go to Russia on a teacher exchange program, and in return she will host a Russian educator for three weeks. Upon her return from Russia, Mary Rhodunda, the teacher from Delaware, will be organizing informational activities regarding many different countries, including your own. This teacher would like to take this exciting time in history to expose her students to many different cultures. It is for this reason that I am writing to you today.

A packet containing charts, maps, flags, poster, cultural information and any other items of interest from your country would be greatly appreciated. Please send any information to my office at 844 King Street, Room 6209, Wilmington, Delaware, 19801. If you have any questions regarding this request, please do not hesitate to contact my staff assistant, Rob Skomorucha at (302) 573-6345.

With best wishes,

Sincerely,

Joseph R. Biden, Jr.
