

## Grant of financial support to organise an EBRAINS Community Event

Partners of the Human Brain Project can request financial support provided by the Inclusive Community Building Task to organise an Event or an Activity referred to as 'EBRAINS Community Event'. The financial support offered for the Events is up to EUR 4000 for each successful proposal.

The Events are opportunities to increase the activity within the community, engage new members and experience new ways of engagement. To do so, applicants are requested to send their proposal by completing an application form that can be retrieved below or from the EBRAINS Collaboratory platform. You can also request it through [community@ebrains.eu](mailto:community@ebrains.eu).

Proposals will be considered on a first come first served basis with a deadline end June 2023.
