SAVE THE DATE YOUNG RESEARCHERS EVENT

25 October 2022
Zadar, Croatia

HBP and EBRAINS together with the University of Zagreb & HIBALL invite the entire scientific community, in particular early career researchers, to join the Young Researchers Event on **25 October 2022 at the Falkensteiner Resort Punta Skala, Croatia.**

Young Researchers Events provide a setting where EBRAINS RI, the Project's tools and results are presented to early career scientists as well as to a wider scientific community.

The event will introduce participants to EBRAINS, offer opportunities to exchange information and knowledge with peers, as well as with renowned experts.

Organiser

HBP Education Programme Office

Local Hosts

Prof Goran Sedmak | School of Medicine, University of Zagreb

Dr Andrija Štajduhar | School of Medicine, University of Zagreb
