Guidelines

SCOPE travel grants support to the Partnering Projects of the Human Brain Project (HBP)

September 2017_version 2

This document represents work in progress and is a living document that will be updated based on the identified needs, as to better foster the collaboration and integration of Partnering Projects in the Human Brain Project.

SCOPE aims at generating a mutual benefit between the Partnering Projects (PP) and the Core Project (CP). It provides travel grants support to the PPs to enable them to participate in research, governance, networking and dissemination activities organised by the CP.

1. Eligibility criteria
Partnering Project can receive a maximum of 2 grants per business year, excluding travel support for the Partnering Projects Representatives.

The submission of the relevant application documents by the deadline is the first eligibility criteria.

Table 1: eligibility criteria and priority access

- Support through SCOPE project will be provided to scientists who are involved in one of the Partnering Projects that are associated to the Flagships.
- Priority for support will be given to scientists from Associated Members’ institutions.
Scientists from private SMEs that are Associated Members have low priority.

Large private companies and private institutions are not eligible for support through SCOPE. Also, scientists who have a research position at one of the Core Project’s organisations and are directly involved in the Core Project’s activities are not eligible for support through SCOPE.

Researchers from institutions outside of Europe are not eligible.

The rules of the H2020 AMGA will apply in cases as the eligibility of non-European researchers involved in PPs and AMs, or in gender balance issues (specially the pages 251 to 253). SCOPE will follow the Euraxess European Charter for Researchers and a Code of Conduct for the Recruitment of Researchers, especially in which relates to working conditions and career development.

2. Types of travel grants support

The travel grants support will only cover travel expenses (transportation and accommodation) and potential registration fees within the limits of up to EUR900/per travel grant, except if stated otherwise below.

Maximum number of application during the duration of the Partnering Project: 2 per business year, possibly distributed between different individuals and while fund is still available and excluding travel support for the Partnering Projects Representatives.

2.1. Support to attend networking activities organised by the Core Project

SCOPE will provide support to attend events organised by the HBP Core Project. The targeted (networking) events include official HBP Flagships events, such as events and meetings organized by HBP Subprojects and the HBP Summit.

2.2. Support for early career researchers

SCOPE will provide support to attend events of the HBP Education Programme. The Education Programme has its own funding support covering travel costs with maximum 450€. The amount of costs covered by SCOPE are aligned on what the Education programme is offering as grants, but in the case of SCOPE, will cover travel and accommodation, while the Education Programme covers exclusively travel. Double application is not allowed.

Target group:

- Master students already carrying out research
• PhD students
• Researchers who received their doctoral degree within the past three years

Cost covered:
• Maximum EUR450 per travel grant (for travel and accommodation)

SCOPE will also support early career researchers (same target group) applying for a travel grant to participate in the Summit or the Young Researchers Event, or any other event organized by the HBP. Costs are covered as for other types of grant, i.e. EUR900.

2.3. Short visit grants

SCOPE will support Partnering Project Members visiting labs and furthering their collaboration with Core Project Members. This grant is open only to senior researchers for the moment, as early career researchers can apply to the lab visit grant offered by the HBP Education Programme.

Invitation letter (email) by the hosting lab is compulsory. See template under point 7.

2.4. Support to Partnering Projects Representatives (Head and Deputy)

Support to the Partnering Project Representative/Deputy will be provided by SCOPE project to attend HBP governance meetings or other related, for example the FLAG-ERA meetings.

SCOPE project will cover up to three travels per year over three years. These travels are not included in the 2 applications per Partnering Project per year.

As for the other travel grants, the Partnering Project Representative/Deputy will need to fill in the relevant application and reimbursement documents to benefit from this support.

3. Application procedure

<table>
<thead>
<tr>
<th>Action</th>
<th>Who</th>
<th>Timeline</th>
</tr>
</thead>
<tbody>
<tr>
<td>Fill in the travel request application form and send it to <a href="mailto:partnering@humanbrainproject.eu">partnering@humanbrainproject.eu</a> with <a href="mailto:scope_project@fecyt.es">scope_project@fecyt.es</a> in cc.</td>
<td>Partnering Project</td>
<td>1. For events with registration: latest 5 weeks prior to the registration deadline.</td>
</tr>
<tr>
<td></td>
<td></td>
<td>2. For meetings/events without a registration deadline: latest 5 weeks prior to the wished day of departure.</td>
</tr>
<tr>
<td></td>
<td></td>
<td>Please note that the earliest you send us your application, the more chances there is your application will be accepted.</td>
</tr>
</tbody>
</table>
Revision of the application. SCOPE
If incomplete, sent back to applicant.

If the applicant doesn’t have an invitation from the CP organiser. The selection process will take place. HBP

Announcement of approval or rejection of the travel grant support SCOPE
1. One week after the registration deadline expires.
2. One week after the wished day of departure.

**Selection procedure**

The selection of eligible (nominative) applications will be done in collaboration with the SP meeting/event organizer and will be based on the scientific excellence and the relevance for the applicant(s) to participate in the meeting/event as long as the PP hasn’t used their 2 grants per year. For general HBP event such as the HBP Summit, the organising committee will revise the application based on a selection criteria template (see below).

- Excellence of the scientific/technological expertise and work
- Relevance of the scientific/technological expertise and work
- Potential for enhancing the integration and collaboration of the PP and the CP Members.

If the applicant receives an official nominative invitation (e-mail) by one the HBP CP Member, this will be considered as a successful selection process. See an invitation letter template under point 7.

### 4. Reimbursement procedure

<table>
<thead>

<tbody>
<tr>
<td>Attend the event, meeting, workshop, etc.</td>
<td>PP</td>
<td></td>
</tr>
<tr>
<td>Send the relevant documentation and original receipt for reimbursement to: <a href="mailto:scope_project@fecyt.es">scope_project@fecyt.es</a></td>
<td>PP</td>
<td>Latest 30 days after the event</td>
</tr>
<tr>
<td>Reimbursement of the travel costs</td>
<td>SCOPE</td>
<td>Latest 2 months after the event</td>
</tr>
</tbody>
</table>
5. Travel arrangement rules (FECYT)

Travel costs will be covered by FECYT under the following conditions:

- Applicant is respecting the SCOPE eligibility rules of the activity.
- The Partnering Project has not been awarded more than 2 travel grants in the current business year, for HBP PPs. In the Graphene Flagship, their eligibility criteria (explained above) will be applied.
- Application documents have been filled in and approved on time.
- Costs are related to the event described in the application document and respecting its dates, e.g. accommodation cannot be extended before or after the event.
- Short report of outcomes is filled in when the reimbursement is requested and original receipts sent.

In general terms, FECYT offers the option of booking the travel (flight/train) of the applicant researchers, always taken into account a deadline of 4 weeks prior to the event involved. All other eligible costs, like accommodation and local transport, will be booked/payed by the applicants and reimbursed following the event. A travel claim form will be provided in order to process this procedure.

If the applicants prefer to book themselves their travel (flight/train), they are free to do so. Please take into account that the reimbursement process could take two months at most.

- The travel claim form should be sent within 30 days after the meeting/event/workshop, duly completed and signed, along with all original documents supporting your expenditure and FECYT bookings: Boarding cards / e-tickets / train tickets (QR codes are valid). Hotel voucher and any booking document in which the price is shown.

Original tickets of public transportation (to/and from airport/train station to the event) Taxi receipts for medium distances, in case other alternatives are too expensive, or if no public transportation means are available (maximum two, to/and from airport/train station to the event). Invoice of the registration fees, related to the event (if applicable).

IMPORTANT:

- The invoices for the hotels should be issued to the name of the person travelling (not their organization) to be directly reimbursed.
- Accommodation costs up to two nights will be covered, depending on your flight/transport availability. Stays longer than 2 days will be considered case by case. A maximum of 120€ per night could be reimbursed.
- Business class or first class air/train tickets will not be considered.
Fuel expenses cannot be reimbursed.

A digital version of the tickets and invoices can be sent in advance to the e-mail scope_project@fecyt.es, but FECYT needs the original documents sent by post to the following address: SCOPE project (Sara García-Rodríguez). Ministry of Economy, Industry and Competitiveness. Paseo de la Castellana, 162, floor 18 (impares, 19.6) - 28046 Madrid (Spain). Contact: scope_project@fecyt.es (tel: +34 91 603 80 52; cell: +34 695 894 811).

6. Contacts
Your main contact during the application and approval procedures is:
Livie Kundert, HBP Partnering Environment Coordinator
Contact: partnering@humanbrainproject.eu

When the application is approved, your main contact for booking and financial aspect of the travel grants is:
Sara García-Rodríguez, SCOPE Project Manager
Contact: scope_project@fecyt.es
Tel: +34 91 603 80 52; cell: +34 695 894 811

7. Invitation letter/email template

Dear SCOPE Project,

Herewith, as a member of the SPXX of the Human Brain Project, I invite NAME, from INSTITUTION, Member of the PP NAME to participate in NAME OF EVENT/MEETING/SHORT VISIT taking place in LOCATION from the DATE to the DATE.

I confirm the participation in the EVENT/MEETING/SHORT VISIT of NAME will contribute to the strengthening of the collaboration and integration of their Partnering Project within the HBP Core Project.

Best regards,

SIGNATURE
