

Prayer for the World Mission Month

God, our Father,
as Jesus, who walked the roads of Palestine
to reveal Your boundless love to the people,
so You also send us out into the world
to carry Your hope into it.

In the Holy Year of the Jubilee, as pilgrims,
as missionaries of hope among the nations, we ask
You:

Grant us hope that sustains,
hope that strengthens our trust,
hope that lets us recognize
that, as sisters and brothers,
we are together on the way to You.

Let us live from the hope
that is founded on the promise of Your eternal love.

Fill us with the power of Your Holy Spirit
and make us tireless sowers of hope.

Accompany and strengthen Your Church – in South
and Southeast Asia, in Switzerland, and throughout
the world.

We ask this in the name of Jesus,
Your Son – the divine missionary of hope.

Amen.
