STARSINGERS

Sing. Bless. Share.

Every year around Epiphany (6 January), the Star Singers go from door to door bringing blessings and hope into people's homes.

They collect donations for children in need, continuing a vibrant tradition coordinated by Missio Switzerland since 1989.

Lord, bless this house, fill it with your light, and open our hearts to others. Amen.

Healthy Food for Children

Millions of children around the world suffer from malnutrition and undernourishment. Instead of growing up healthy, they face daily hunger and a lack of nutritious food. This has a serious impact on their development and future opportunities.Through the Star Singers campaign 2027, under the motto “Good Food, Healthy Children”, we support projects in Guatemala, providing children with a healthy, balanced and nutritious diet, and the chance of a brighter future.

Children Helping Children

The Star Singers campaign is Switzerland's largest children's solidarity initiative. It brings young people together to support children in need around the world, whilst encouraging everyone to take part.

You Can Make a Difference

With your donation or involvement, you can help provide children with access to healthy food – giving them the opportunity to enjoy better health, education, and a brighter future.
