### Prefazione

Geschätzte Kundinnen,  
Geschätzte Kunden

Die Schweiz ist ein kleines Land und trotzdem gibt es viele regionale Unterschiede. Das ist uns anfangs Jahr wieder so richtig bewusst geworden. Wir konnten die im Kanton Tessin tätige Dulca SA übernehmen und so unsere Präsenz und Tätigkeit in der Region ausbauen. Dabei wurde uns wieder aufgezeigt, wie unterschiedlich die Arbeitsweisen, Abläufe und eben auch das Sortiment je nach Region sein können.

Als national tätiger Grosshändler betrachten wir es als eine unserer Stärken und als grossen Vorteil für unsere Kundschaft, dass wir auf die regionalen Unterschiede eingehen. Aktuell führen wir über 7'000 Artikel an Lager. Für die Sortimentsgestaltung werden die unterschiedlichsten Faktoren berücksichtigt: Verpackungseinheiten, Neuigkeiten von Lieferanten, Anfragen von Kunden, Trends aus dem Ausland und viele mehr. Doch neben der Schnellebigkeit und der ständigen Veränderung, sind die regionalen Unterschiede eine gewisse Konstanz. Und so führen wir weiterhin diverse verschiedene Produkte, um den regionalen Ansprüchen gerecht zu werden.

Damit wir Ihren Warenfluss weiter optimieren und wir unser Versprechen: «heute bestellt, morgen geliefert» weiter einhalten können, haben wir unseren Webshop ausgebaut. Die Scanfunktion kann nun auf allen gängigen Smartphones mit der Kamera verwendet werden. Sie können Ihre letzten Bestellungen und Rechnungen neu auch im Webshop anschauen. In Kürze stehen Ihnen auch Statistiken zur Verfügung und Sie können selbst Auswertungen über Ihr Sortiment und Ihre Bestellungen machen.

Ich danke Ihnen für die Zusammenarbeit und wünsche Ihnen weiterhin gute Geschäfte!

Beste Grüsse

Chères clientes,  
Chers clients,

La Suisse n'est pas un pays de très grande taille et pourtant, elle présente de nombreuses différences régionales. Nous en avons de nouveau pris conscience au début de l'année, lorsque nous avons repris la société Dulca SA, qui opère dans le canton du Tessin. Ainsi nous avons pu développer notre présence et nos activités dans la région. À cette occasion, nous avons pu constater à quel point les méthodes de travail, les processus et même l'assortiment peuvent varier d'une région à l'autre.

En tant que grossiste opérant au niveau national, nous estimons que tenir compte des différences régionales constitue l'une de nos plus grandes forces et représente un énorme atout pour notre clientèle. Actuellement, nous disposons de plus de 7000 articles en stock. Divers facteurs sont pris en compte pour la constitution de l'assortiment: unités d'emballage, nouveautés des fournisseurs, demandes de la clientèle, tendances de l'étranger et bien d'autres aspects encore. Cependant, outre l'évolution rapide et le changement permanent, les différences régionales offrent une certaine constance. Et c'est pourquoi nous continuons de proposer divers produits variés afin de répondre aux exigences régionales.

Pour que nous puissions continuer à optimiser votre flux de marchandises et tenir notre promesse: «Commandé aujourd'hui, livré demain», nous avons encore amélioré les services de notre boutique en ligne. La fonction de scan est désormais accessible sur tout type de smartphone doté d'un appareil photo. Vous pouvez désormais consulter vos dernières commandes et factures sur la boutique en ligne. Bientôt, vous aurez également accès à des statistiques et pourrez procéder vous-même à des évaluations de votre assortiment et de vos commandes.

Je vous remercie pour cette collaboration et vous souhaite de bonnes affaires!

Avec mes meilleures salutations

Care clienti,

La Svizzera è un piccolo paese, ma nonostante le sue dimensioni presenta molte differenze a livello regionale. Lo abbiamo capito all'inizio dell'anno, quando abbiamo acquisito l'azienda Dulca SA, operativa nel Canton Ticino, ampliando così la nostra presenza e le nostre attività in questa regione. Questo ci ha permesso di constatare ancora una volta quanto possano variare le modalità di lavoro, i processi e persino l'assortimento da una regione all'altra.

In qualità di grossista attivo a livello nazionale, consideriamo questa diversità regionale un nostro punto di forza e un grande vantaggio per la nostra clientela. Attualmente, gestiamo oltre 7.000 articoli in magazzino e per organizzare l'assortimento, prendiamo in considerazione diversi fattori: unità di confezionamento, novità dei fornitori, richieste della clientela, tendenze internazionali e molto altro. Pertanto, continuiamo a gestire una varietà di prodotti per soddisfare le esigenze specifiche delle diverse regioni.

Per continuare a ottimizzare il vostro flusso di merci e mantenere la nostra promessa di consegna il giorno successivo all'ordine, abbiamo ampliato il nostro Webshop. La funzione di scansione è ora disponibile per tutti i cellulari comuni dotati di fotocamera. Ora potete visualizzare i vostri ultimi ordini e le fatture direttamente nel Webshop. A breve, avrete a disposizione anche le statistiche, permettendovi di valutare personalmente il vostro assortimento e i vostri ordini.

Vi ringrazio per la collaborazione e vi auguro tanto successo!

Con i migliori saluti

Tobias Weber
